## Letter of reference

I, Anders Hedendahl, do hereby give my feedback on the purchase of filigree slabs from Strobud in Poland to the Kv Tölö project in Gothenburg in 2006.

The quality and dimensions were as per the plans and specifications.  
The delivery was on time.

We have found the purchase of the filigree slabs to be a successful purchase for our project.

Yours Sincerely

Anders Hedendahl  
International Procurement Officer
